Isle of Wight Cross Country Relays

The Isle of Wight cross country relays were successfully held at Sandown High School on the 5th November.

The Junior races got the day off to a great start with Sandown winning the junior girls and gaining 2nd and 3rd places in the boys races. Rowan Tregus and Layton Medland both appearing as the top three fastest runners in the races. The Junior boys had an amazing turn out with 5 teams lining up to start!

In the intermediate team races (Year 10 and 11) the good results kept coming with the girls taking 3rd, 4th and 6th in a very tough race, followed by the boys who tore away to take the win, with the second team finishing 3rd. George Colson and Jack Hayward taking the places of 1st and 2nd fastest runners in the race.

Last but no mean least the turn out for the senior races was brilliant, senior girls took both 1st and 2nd places, with Eva Jermutus, Izzy Saunders and Jessica Andrews all in the top three fastest runners, with Jess taking the record for fastest ever lap. The senior boys did not disappoint either, taking the 2nd and 3rd spots in what was a very quick race!

My thanks to all pupils both runners and supporters!
