U15 Boys Rugby - Hampshire Vase

Sandown 10-0 Brooklands (Game cut short due to serious injury)

Man of the Match: Charlie Gedling

In the second round of the Hampshire Vase, the Mighty Sandown took on the unknown Brooklands of Southampton. Upon arrival we realised that the pitch was a little wider than a match box and we knew an expansive game would be difficult. However, straight from the off we took our game to Brooklands with our forwards quickly neutralising their "big" men. Entwhistle led from the front putting in some massive hits and Colson bulldozed anything that came near him.

Newell was outstanding at open side and formed an amazing partnership with Gedling who was later awarded Man of the Match for his work-rate and stunning performance in providing scrum-half Norman with superb ball. This was by far Norman's best offensive and defensive game to date.

The backs were outstanding, our very own Buckingham ran the show and Wedderkop could soon be on Strictly with his twinkle toes!

Our wingers consistently ended up with the ball but with nowhere to run due to the narrow pitch. Eventually the pressure told with two beautiful tries in the first-half from the backs Wedderkop and Hull, with Leach unlucky not to score twice. Newell who had a great game at Full Back was unfortunate not to convert.

Unfortunately, early in the second half a Brookland's player was injured forcing the game to be abandoned.

An awesome performance boys! Well Done!

Mr Harwood and Mr Monks
